

Ejercicios Rítmicos

J. Arribas

Eight staves of rhythmic exercises. The first four staves are in 2/4 time, and the last four are in 6/8 time. Each staff contains a sequence of eighth and sixteenth notes, often beamed together, with accents (>) placed below many notes. The exercises progress from simple eighth-note patterns to more complex sixteenth-note runs and include some chromatic movement (e.g., a half-step rise in the fifth measure of the fourth staff).

Bellow Shake:

Two staves of rhythmic exercises for the Bellow Shake technique. The first staff is in 2/4 time and the second is in 2/4 time. Both staves feature a series of chords (dyads) played in a rhythmic pattern. Above the first staff, the notation '■ V ■ V ■ V' indicates the sequence of notes (chords) and rests. Above the second staff, the notation '■ V ■ V ■ V ■ V' indicates the sequence. The exercises consist of a series of these chords, some with grace notes, and end with a double bar line.
